The water slide pranksters (Dalia, Laura, Kazim)

Teacher Good morning, children! Are you ready for the trip?
All the ghosts Yes, we are!
Teacher We are going to the waterpark for the first time!

Ghost 1 I'm so excited to go there.
Teacher Let's go there quickly before the waterpark closes.

One hour later.

Ghost 3 That will be really nice, because when we're in the water, nobody will see us, and we can scare people easily!

Teacher I'll be floating next to the restaurant and I will be able to see you swim. Please don't scare anyone!

The teacher thinks: I know ghosts 2 and 6 are pranksters and I think I will be able to scare them instead of them scaring other people.

Ghost 4 Let's go to the swimming pool, hehe.

Ghost 2 Let's go! Come on ghost 6, let's go to the water slide and scare people!

Ghost 6 That's a really good idea.

Ghost 2 Please don't fly too fast. I can't catch up!

Ghost 6 Look! There are kids on the water slide. Now we can scare them!

The two ghosts float behind the kids quietly and wait until they go down, so they can scare them.

Ghost 6 Come with me. The two kids are going to slide down!

After the two kids start sliding down, the ghosts go behind them and start making noises.

Ghost 2 ooOOOOOoOoooOoOoOohhOOoOoOohOoOoOoOoh!!

Ghost 6 oOooOooOohOoOoooOOOOooOOOoooooh!

The two kids Ahhhhhhhh! What was that?!

Both ghosts That was a lot of fun!

The teacher watches them closely and follows them. The two ghosts feel something behind them, so they turn around to check. They see nothing, but they find it strange.

Ghost 2 Did you also feel a hand on your shoulder?

Ghost 6 Y-yeah, that was very strange.

The ghosts then turn around and suddenly see a face with sharp teeth, scary eyes, and a big mouth.

Teacher BOoOooOoOOOOoooooOo!!!!

The two ghosts AHHHHHHHH!!

Ghost 6 Fly away, quickly!

They both run in different directions as fast as they can. The teacher and the other ghosts laugh happily.

The teacher thinks: Now I've pranked them too! I hope they won't prank other people's kids or ghosts anymore.

You didn't see that coming – did you?
(Rose, Hacer, Clemens)

Ghost Teacher (*in front of the ghost students in the ghost school*)

We are going on a trip to Transylvania. Here's a list of the things you should pack. You will need lots of garlic.

One day later. The teacher and the class are in a ghost bus to Transylvania.

Peter We should play a prank on Mr Lackner.

Bobby Yes! That'll be fun!

Stefan What prank should we play on him?

Peter Let's put glue on his bus seat, when he stands up.

**Bobby and
Stefan** Ok. Good idea!

Bobby Who's going to do it?

Peter I'll do it.

Peter stands up quickly and puts glue on Mr Lackner's seat.

Mr. Lackner Ahhhh! Who put glue on my seat?

Everbody HaHaHa!

Mr. Lackner This is not funny!

Lisa Bobby, Peter and Stefan did it.

Mr. Lackner It's ok, but never do that again!

Later that day. The class is in front of an old castle.

Mr. Lackner This is the famous Dracula castle. Never go inside at midnight – or Dracula will scare the hell out of you.

11p.m. At the ghost hotel.

Peter We should fly over to Dracula's castle.

Stefan But Mr Lackner said we shouldn't go there.

Bobby Let's go. It'll be fun, trust us.

At the castle at midnight

Peter Let's pass through that door.

Inside of the castle.

Stefan Have you also heard that voice?

Peter What are you talking about? There is no voice.

Bobby But I've heard that voice too.

Stefan It is really scary, let's get out of here.

They are trying to pass through the front door, but they can't.

Peter Why can't we go back?

Bobby Someone must have put a spell on it.

Stefan We must get out of here quickly.

They pass through another door and enter another room.

Peter Oops. I thought this was the door to the backyard.

Bobby Have you also felt that cold wind?

**Peter and
Stefan** Yes.

Peter Now I'm scared too.

They turn around and fly back through the door. Someone is waiting for them. It's a vampire!

Peter, Bobby and Stefan Ahhhhhhh!

The vampire takes off his coat slowly.

Peter, Bobby and Stefan Ahhhhhhh!

Mr. Lackner It is just me.

Bobby I thought we were going to die!

Stefan How did you put the spell on the door?

Mr. Lackner I didn't.

Suddenly someone screams from behind.

Peter, Bobby and Stefan Ahhhhhhh!

Lisa I did it!

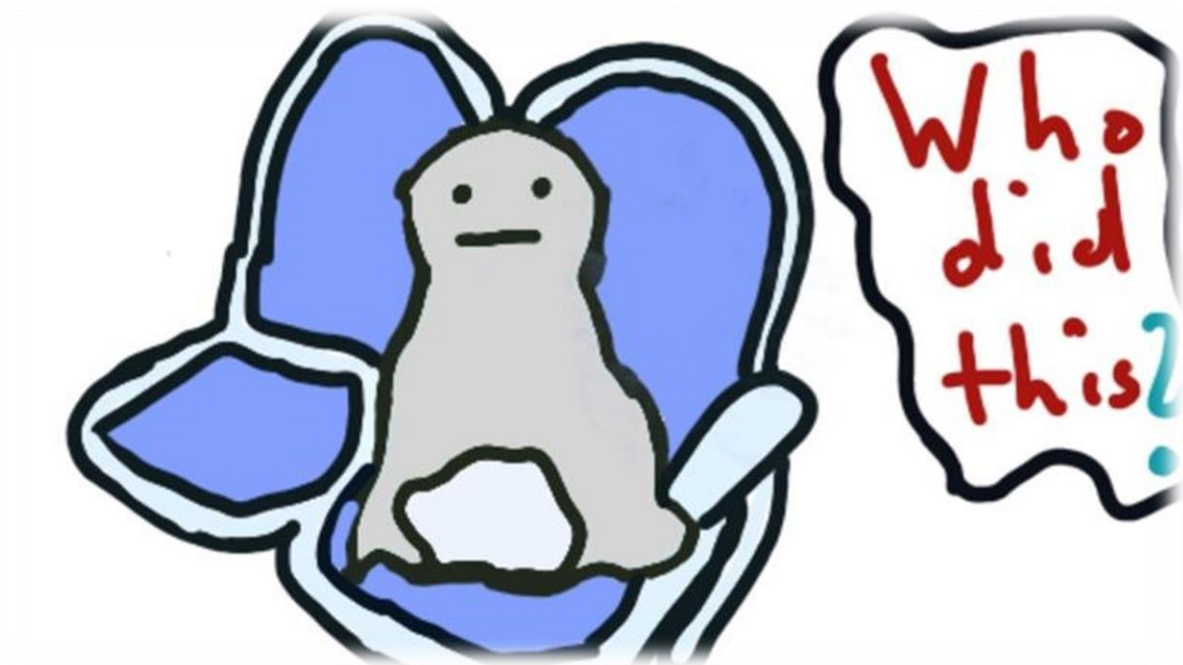

Peter

So, you've pranked us all!

**Teacher
and Lisa**

Yes, we have.

Lisa takes away the spell, they all leave the castle quickly and fly back to the hotel.

The lost heads (Lachi, Noah, Justus)

The teacher walks into the classroom.

Teacher Hello class! How are you?
Today we are going to learn how to take
off our heads.

Ghosts Boring!

Teacher I will show it to you. (*The teacher
takes his head off*) See. It is easy, but
you have to do it slowly and
carefully.

All the ghosts take their heads off.

Teacher Well done, class! Let me see!

*The teacher walks around the classroom and steals
all their heads.*

Teacher What do you want to play? Basketball or
football.

Ghosts Please do not kick our heads.

Teacher I have ten heads. I will play basketball with five
heads and football with the other five.

He begins to play football.

Teacher This shot will be hard one.

*He plays basketball too. The ghosts go home sadly. The
next day the teacher visits the ghosts at home. But he
gives back the wrong heads to the wrong ghosts and
they never find their real heads again.*

The terrible field trip (Marija, Luis, Marco)

In a dark forest there is a spooky castle. It is not a normal castle. It is a ghost school. Everything is quiet there. But there is a light in the classroom for mythical creatures.

Teacher Okay today we're going out to the forest to find some strange things.

Ghost 1 I have read in books about strange creatures called *humans*.

Ghost 2 You scaredy cat, it's just a horror story, it's not real.

Teacher Stop fighting we have a long way to go.

One hour later. The teacher is talking to the ghost students.

Teacher At last we're outside of the forest. What's that? There is a bright light over there.

Ghost 1 The humans are coming for us!

Teacher Come on. Don't be scared. Let's go towards this light, I guess there is something.

After three minutes they arrive at the bright light.

Ghost 3 That's weird. These things are huts.

They walk along the street very nervously. Suddenly they hear a strange noise.

Ghost 4

(to the other ghosts) That strange noise is coming closer and closer!

Then suddenly a strange creature comes around the corner. The ghosts panic and scream very loudly.

Ghosts
Teacher

HELP! HELP! This is a human being!
Let's run as quickly as possible!

A few minutes later they arrive at the castle.

Ghost 2

I always thought it was just a horror story, but humans really do exist. I am never going to leave the castle again!

Oopsie Doopsie
(Kendra, Achmed, Ema)

It's the third year for Ryder and Tom at the ghost school. This year they have a new teacher in "Ghost Basics".

Ryder Do you think that the teacher will be nice?
Tom I don't think so. Our last teacher for this subject was Mr Monster. He was literally a monster.
Ryder I know. I will never forget his hairy legs and his big feet. Yuck!

The teacher comes in.

Professor Nutella Hello, my little students! I'm your teacher for "Ghost Basics". My name is Kuda Musa Luda Schufa Suda Mark Nutella. But you must call me Professor Nutella, or, "my favorite teacher" if you want. Today I'm going to teach you how to pass through a wall.

Ryder Professor Nutella, we have already done that.
Professor Nutella Oh, interesting. So, we are going to study how to take our heads off!
Tom We know this too!
Professor Nutella Then we are going to learn how to make big stains.
All the ghosts OK.

Professor Nutella walks away quietly.

Tom Wow, I think he doesn't know what he's doing. Maybe I'm going to call him by his full name.
Ryder Do you really remember his full name? I have forgotten it already.
Tom Yeah. It's Cat Hungry Dumb Cute Nutella.

Ryder Okay, but do it carefully. He seems like he could explode easily.

Tom Of course.

Professor Nutella comes back to the classroom with a big white T-shirt.

Professor Nutella I've brought a big T-Shirt so you can learn how to make big stains. Take your ketchup and put it slowly over your canvas. Just like I did and then your piece of art is finished. So, who wants to try it out?

Tom I want it to try it out, Cat Hungry Dumb Cute Nuttela.

Professor Nutella How dare you say my full name. You mustn't say it and it's even wrong! A first grader doesn't say things like that!

Ryder Sorry Sir, but we aren't first graders. We are in class 3G.

Professor Nutella Oopsie Doopsie!

The school of young ghosts on a field trip
(Philipp, Alessio, Arthur)

One night the teacher and the ghosts go on a field trip.

Teacher You should take a chain and some food with you.

Ghosts OK, let's go!

Teacher Find a partner now.

Ghost 1 I want to go with Reinhard.

Ghost 2 And I want to go with Luis.

Teacher And the others have to find a partner too.

On the way

Ghosts (singing) Da!Da!Da!Di!Di!Di!! I am a cool ghost, yeah!

Teacher Now let's do a run. You should run as fast as you can. 1! 2! 3! Go.

Ghosts OK, let's run!

Suddenly the ghosts are walking slowly.

Teacher Why you are walking so slowly, Reinhard?

Reinhard Because my knees hurt.

Teacher And why are you walking so slowly, Luis?

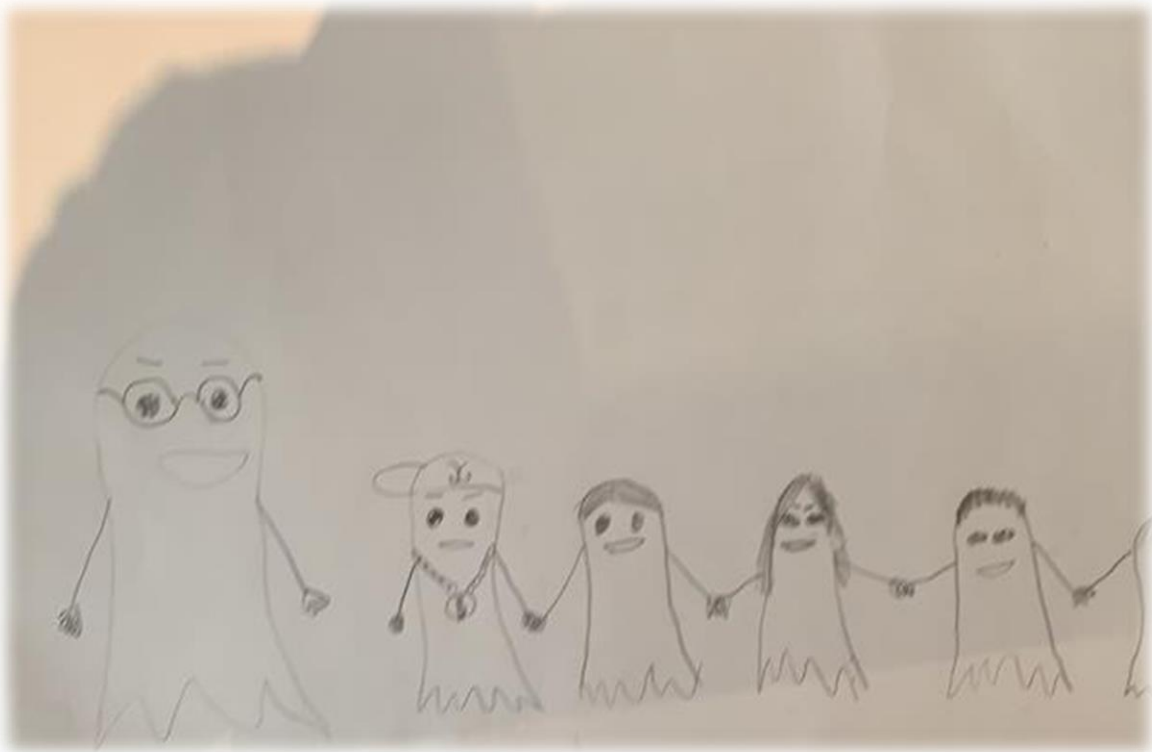

Luis: Because my knees hurt, too.

After a few minutes, the children notice that something is wrong.

Ghost 1 Why do the knees of all the ghosts hurt? I think you've sprayed some gas in the air.

Teacher: Children that was one of my tricks so you can run to the castle. Today there will be no homework.

Ghosts: Hooray!

Joke battle at the school for young ghosts
(Maxi, Moritz, Sami)

The teacher slowly floats to the teacher's desk.

Spooky Castle (Marcus, Karolin, Helene)

In class 4a.

Teacher 1

(Comes into the classroom)

Good Evening. Today we're going to visit Spooky Castle.

Ghosts

Hooray!!!

Teacher 2 *(Comes into the classroom)*

The flying bus leaves in 15 minutes.

On the way to Spooky Castle.

James

Oh, it's going to be so much fun!
I'm thinking about what we're going to do.

Bellatrix

We will need our phones, because perhaps we will not be in the same groups.

Lilly

Yeah. Let's turn on our phones.

The bus arrives at the castle. In front of the castle there are five ghosts.

Headless Nick

Hello everyone, today we're going to learn how to scare people.

Mathilda

You are going to be in 5 different groups.
The first group is with Headless Nick.
You're going to learn, how to take off your heads. Group

2 is with Bloody Baron.
You're going to learn, how to make
big blood stains.
Group 3 is going to be
with the Furious Countess, You're
going to learn
how to wreck rooms.
Group 4 is with the grey Lady,
with her you're going to learn how to
scare people.

And the fifth group is going to
be with me. My name is Mathilda
and I'll teach you how
to scream loudly and in
a terrifying way.

Teacher 1

In group 1 with Headless Nick are
James, Ghost 1, Ghost 2 and Ghost 3.
In group Number 2 with the Bloody
Baron are: Sirius, Ghost 5, Ghost
6, and Ghost 7.

Teacher 2

In Group number 3 with the Furious
Countess are
Bellatrix, Ghost 10, Ghost 11, and
Ghost 12. Then in group number 4
with the Grey Lady are Remus,
Ghost 4, Ghost 8, and Ghost 9.

Mathilda

And the last
group is going to be with me.
That would be Lilly, Ghost 13,
Ghost 14, and Ghost 15. Oh,
and I'm the Shrieking Mathilda.

With Mathilda and her group in the corridor.

Lilly

May I ask what we'll have to do?

(Puts phone on speaker for the others to hear them)

Mathilda

Well, we will first do some tasks with questions on what ghosts do in specific situations and then there will be tasks to scare people, but that will come later. The first group to finish will get a reward.

Lilly

OK, thanks.

(Stops the phone call and walks away)

On the phone with the other four ghosts.

Lilly

James, you sabotage the pen, Remus ask your teacher what you'll have to do, and Bellatrix, you scare Sirius' teacher.

James

Yes ma'am!

Remus

Sure thing.

Bellatrix

Ok!

Sirius

And what am I going to do?

Lilly

You'll sabotage the soundproof walls so that everybody can hear the screams we're going to practice with Mathilda.

Sirius

Ok. Let's go.

After practicing the ghosts meet again in front of the castle.

Headless Nick

I don't understand why everything went wrong.

Bloody Baron

Yes. Me neither.

**James
Bellatrix**

It worked! Hahahaha.
It was so funny! It was
a good idea to sabotage this. Hehe.
Yes.

Lilly

But now the other ghosts are really
sad.

James:

I feel sorry for them.
Are you crazy? It was fun
and you say you feel sorry for them?

Sirius

Me too. They are so sad. It also
makes me sad.

**Remus
James
Bellatrix**

Let's go there and apologize.
I won't!

James

Yes. It was so much work,
and now this?

Bellatrix

But... they are really sad, and
I feel sorry for them.

Lilly

You guys are hopeless!

Bellatrix:

Look
at them! They are so sad. You have
no heart.

James:

You're right they are sad. I
also feel sorry for
them. Let's go there and apologize.
Yeah, let's go.

A few minutes later.

Lilly

Hey guys. We
have to tell you something.

Sirius

Yeah, we
have sabotaged this project
and thought it would be funny.
But it was mean.

And so, we want to say sorry.

Bellatrix

Yes. We feel very bad about this.
Please forgive us.

James

But we can understand
if you are angry with us.

Ghosts

Don't worry, we're not
angry. We will forgive you.
Maybe we can be friends again.
That's a good idea.

Remus

And so, they all became friends again.
