**CONSENT FORM**

**BRG19  
Krottenbachstraße**

Dear parents! Dear students!

As part of the annual school photo campaign, class and portrait photos are taken by our photographer.

**The Edu-Card (electronic student ID card) in credit card format is also produced as part of this campaign.**

We need the following data to produce the Edu-Card:

PLEASE FILL IN LEGIBLY AND HAND IN AT SCHOOL!

Student First Name: .....

Surname: .....

Date of Birth: .....

Street/Number: .....

ZIP Code/City: .....

Class (e.g.: 1a): .....

Email: .....  
of the parent/legal guardian/pupil with legal capacity

I agree that

- the images are uploaded to the Starfoto online shop/e-shop.  
The student receives an individual security code at the photo appointment.  
This enables you to order the photos online.  
As soon as the photos are ready for viewing, you will receive a message to your e-mail address
- You have the option of ordering photos in the webshop within three weeks or unsubscribing from the webshop. After the three-week period, our basic set + shipping costs will be sent to your specified address without obligation
- the data (of the students) and the e-mail addresses (of the parents) will be forwarded to Starfoto for processing and temporary storage
- class photos are created
- Photos are created with friends
- My portrait photo will be given to classmates as part of a class compositing, with my name on it
- this confirmation is also valid for further annual school photo campaigns by Starfoto

I acknowledge that I can revoke this consent at any time without giving reasons.

.....  
Signature of the legal guardian / legally competent student

The pictures taken by Starfoto will be used exclusively for the purpose of passing them on to the pupils and their legal guardians. Should the school wish to process the images for the school administration software, we assume that the school has obtained your consent for this. In order to be able to fulfill any follow-up orders, the photos will be stored under a pseudonym on a Starfoto server for 6 months after the end of the current school year. After this period, the photos will be deleted. Information obligations according to the EU General Data Protection Regulation: [www.starfoto.at/datenschutz](http://www.starfoto.at/datenschutz)
