

Patenschaft schenken. Leselust entfachen.

Vienna, September 15, 2026

Dear parents and legal guardians,
Dear teachers and former teachers of BRG 19,

Our school library is a special place for many students – a space for reading, learning, and discovering. To ensure that this place remains vibrant and that we can continue to offer current, exciting, and diverse books, we rely on the support of our school community.

Parents and legal guardians, as well as teachers of BRG 19, have the opportunity to **sponsor a book purchase**. The titles selected for this initiative can be found on a **list on the school website**, which is regularly updated. By purchasing one of the listed books, you make a direct contribution to expanding our library and promoting reading among our students.

Every book sponsorship – large or small – helps keep our library alive and further enriches the range of reading materials available to our students.

Donated books can be handed in:

- to Prof. Drack or Prof. Spitzer during the library's opening hours
- to the porter at BRG 19
- at the staff room (2nd floor).

If you have any questions, feel free to contact me via WebUntis.

Thank you very much for your support and commitment.

Kind regards in the name of the library team,
Iris Drack
Head of the School Library, BRG 19
